If the project duration exceeds 3 years, ZonMw will perform an interim check to establish whether there has been any overcompensation. ○ If, at the time of application, it is still unclear which parties are participating in the consortium, it is possible to add these parties to the consortium at a later stage. If a new party is added to the consortium, please notify ZonMw of this in writing. The new party will only be included in the consortium if ZonMw has approved this. <p>Please contact for details the national contact person.</p>
<p>Additional requirements</p>	<p>After the proposal has been granted by the JPND Secretariat ZonMw reserves the right, when awarding the grant, to request:</p> <ul style="list-style-type: none"> • A final draft (approved by the partners, but not yet signed) of the consortium agreement and/or sponsor agreement to assess it for compliance with the European law on state aid and ZonMw's general grant terms and conditions. • For further information on the consortium agreement and sponsor agreement please check the ZonMw website. • In addition to the application submission to the Joint Programme Neurodegenerative Disease Research (JPND), Dutch consortium members applying for and being awarded funding from the Netherlands must complete an abbreviated ZonMw application and submit it in accordance with the guidelines using ZonMw's online application system (Mijn ZonMw). You will receive instructions for the submission of the abbreviated form after the JPND Secretariat has communicated to the consortium leader about granting the proposal. • A budget table is part of the abbreviated ZonMw application. The budget table concerns the Dutch part of the project. Guidelines for the ZonMw budget table can be found on the ZonMw website ('Financiële voorwaarden' https://www.zonmw.nl/nl/voorwaarden-en-verplichtingen). <p>Alzheimer Nederland will co-finance the granted projects. Only research applications focused on dementia will be eligible for funding by Alzheimer Nederland.</p>
